

The safety of the students at Cutler Ridge Christian Academy is vitally important to us. For this reason, the established traffic pattern must be followed at all times. Parents, if a private bus service picks your child up, it is your responsibility to see that the driver receives this information.

ALL VEHICLES should enter at the **Bahama Drive** entrance point, whether being dropped off or picked up. The actual point of drop-off or pick-up is at the **basketball court gate**. In order to alleviate any cross traffic or turns in front of oncoming traffic, it is necessary to follow traffic and **exit Bahama Drive**. At dismissal, if your child is not ready, you will be asked to circle around the lot in line or park in the grass beyond the drive-through.

K-4 & K-5 students will be dismissed at 2:45 at the basketball court gate. Students in 1st through 8th grade will be dismissed at 3:00 at the same location. Parents, if you have students being dismissed at both times, you may collect your younger student and wait in the grass parking area, east of the basketball court and drive through area.

Dismissal is not the time for impromptu parent-teacher conferences. Please refer to the policy on parent-teacher conferences and make an appointment to see your child's teacher. **Rainy Day Pick-Up:** On rainy days, students will be dismissed from the foyer of the chapel. We will have staff and patrols available, with umbrellas, to help with entering or exiting cars. Parents may also park in field or parking spaces and walk up with umbrellas and escort their own children to the car. *The school office is NOT a drop-off or pick-up point.*

-----THE SPEED LIMIT IN OUR PARKING LOT IS **NO MORE THAN 5 MPH!**-----
